

Welcome to 'Marine Technology Gala'!

May 22th 2019 10:00-14:00

Auriga Business Center, Juhana Herttuan Puistokatu 21, Turku

You are kindly invited to attend our Marine Technology Gala – and the presentation of new ship concepts developed by students at the Aalto University. We will also use the opportunity to show new Master's theses and discuss recent developments. Your participation and constructive feedback is highly appreciated.

Agenda

9:45 Coffee
